Room At the Cross for You
Room At The Cross For You
The cross upon which Jesus died

Is a shelter in which we can hide
And its grace so free is sufficient for me
And deep is its fountain as wide as the sea

Chorus

There's room at the cross for you
There's room at the cross for you
Tho' millions have come there's still room for one
Yes there's room at the cross for you

Tho' millions have found Him a friend
And have turned from the sins they have sinned
The Savior still waits to open the gates
And welcome a sinner before it's too late

The hand of my Savior is strong
And the love of my Savior is long
Through sunshine or rain through loss or in gain
The blood flows from Calv'ry to cleanse ev'ry stain

Faith Of Our Fathers
Faith of our fathers living still

In spite of dungeon fire and sword
O how our hearts beat high with joy
Whene'er we hear that glorious word

Chorus: Faith of our fathers holy faith
We will be true to thee till death

Our fathers chained in prisons dark
Were still in heart and conscience free
How sweet would be their children's fate
If they like them could die for Thee

Faith of our fathers we will strive
To win all nations unto Thee
And through the truth that comes from God
Mankind shall then be truly free

Faith of our fathers we will love
Both friend and foe in all our strife
And preach Thee too as love knows how
By kindly words and virtuous life

Our God

Water You turned into wine, opened the eyes of the blind
There's no one like You, none like You

Chorus: Our God is greater, our God is stronger
God You are higher than any other
Our God is healer, awesome in power, Our God, our God
Into the darkness You shine, out of the ashes we rise
There's no one like You, none like You

And if our God is for us, then who could ever stop us
And if our God is with us, then what could stand against
Then what could stand against

Jireh

I'll never be more loved than I am right now
Wasn't holding You up

So there's nothing I can do to let You down
It doesn't take a trophy to make You proud
I'll never be more loved than I am right now

Going through a storm but I won't go down
I hear Your voice carried in the rhythm of the wind
To call me out

You would cross an ocean so I wouldn't drown
You've never been closer than You are right now

Chorus: Jireh You are enough (Repeat)
I will be content in every circumstance
Jireh You are enough

Forever enough, Always enough, More than enough

I don't wanna forget how I feel right now
On the mountaintop I can see so clear what it's all about
Stay by my side when the sun goes down
Don't wanna forget how I feel right now

Bridge: I'm already loved, I'm already chosen
I know who I am, I know what You've spoken
I'm already loved, More than I could imagine
And that is enough

That is enough (Repeat), You are enough (Repeat)
So I am enough, You are enough, So I am enough

If He dresses the lilies with beauty and splendor
How much more will He clothe you (Repeat)
If He watches over every sparrow
How much more does He love you (Repeat)

Bridge: More than you ask think or imagine
According to His power working in us
It's more than enough (Repeat)
